

Week 11 Student Checklist  
Updated : Byron Ho, Fall 2010

### Student checklist

Please go through the *Chip Layout and Device Structures/Sizes* on the lab webpage at:

<http://www-inst.eecs.berkeley.edu/~ee143/fa10/lab/mems.html>

Read the Metric Tutorial, Metric Manual and Device Characterization section in ee143 lab homepage at:

<http://www-inst.eecs.berkeley.edu/~ee143/fa10/lab.html>

Section: Device Characterization

To get an idea about characterization and how probe stations work, look at the Probe Station Module video available at:

<http://www-inst.eecs.berkeley.edu/~ee143/fa10/lab.html>

Print out and complete Week 11 quiz before lab.
